LEGAL SERVICES CORPORATION

LEGAL AID SOCIETY OF MID-NEW YORK, INC. PRO BONO PROGRAM

**Serving low-income persons in
thirteen central New York counties**

The Pro Bono Program

The Pro Bono Program is a collaboration between Legal Aid Society of Mid-New York, Inc. (LASMNY) and private attorneys to provide free legal services to low income persons across LASMNY's 13 county service area:

Broome, Cayuga, Chenango, Cortland, Delaware, Herkimer, Jefferson, Lewis, Madison, Oneida, Onondaga, Oswego, Otsego

In 2022 the Legal Services Corporation issued a report, The Justice Gap: The Unmet Civil Legal Needs of Low-Income Americans finding that low-income Americans do not get any or enough legal help for 92% of their substantial civil legal problems, up from 86% documented in their 2017 report.

Pro bono attorney involvement is crucial to help meet the pressing legal needs of the indigent in our communities.

FAQs about the Pro Bono Program

I already do "pro bono" work on my own. Why should I volunteer through LASMNY?

We pre-screen applicants; no referrals are made unless they qualify for LASMNY.

- We provide malpractice coverage for all pro bono cases referred.
- We provide research, forms and other support.
- We can provide CLE credit if you spend at least 1.0 hour on pro bono work.
- We annually recognize attorneys in local bar newsletters and nominate outstanding volunteers for county and statewide honors.
- Our *Student Intern Program* recruits and trains outstanding students as pro bono interns. We can place student interns at pro bono attorney offices to assist with LASMNY assignments.

I probably do not do the kinds of work your clients need. Can I really be of help?

The Legal HelpLine established in 2007 gives legal advice on *any civil legal matter* to qualified applicants within LASMNY's 13 county service area. This enables us to refer cases in almost any area of civil law. Attorneys can give telephone advice from their own offices.

Can I help in an area that is new to me?

Yes. We can train and mentor attorneys learning a new area of law.

What are "reverse referrals"?

If you are contacted by a low-income person that you want to help pro bono, we can tell you within minutes if they meet our guidelines. If so, the pro bono case is opened and automatically "referred" back to you.
